

Mr Sunshine India – Mapping India's Solar Infrastructure

Agentic Scraping Pipeline

Grindelwald AI
(Kevin Riehl, Shaimaa El Baklish)

Mr Sunshine India – Mapping India's Solar Infrastructure

Agentic Scraping Pipeline

Technologies

Python – For running agentic scrapers

Selenium & Chrome – for browser automation

table.studio
for OCR table extraction from images

For HTML parsing

BeautifulSoup

For coordination / location retrieval

For Python-based front end in Browser

Streamlit

For Scalable & Fast PostgreSQL

Data Flow

Government

- Public Tender Information

Companies

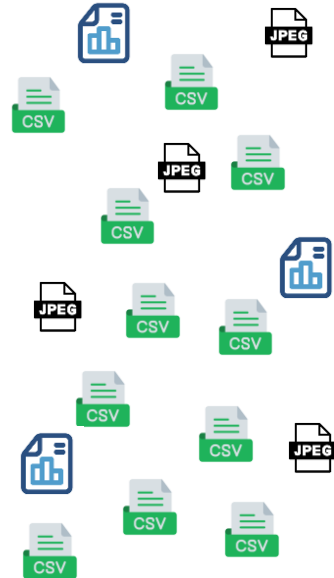

- Azure Power
- Renew
- Tata Power

International Organisations

- StatisticTimes
- INCED

Academia

- Geo-Data (UCDavis)

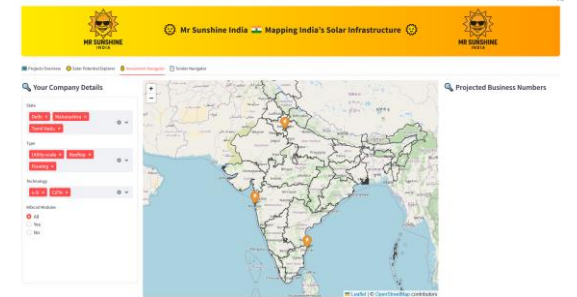

Project Data

National Statistics Data

Tender Data

Topography Data

Visualization / UI

Online Sources

Raw Data Lake

Processed Data

DataBase
